

## Warranty Information - Architectural and Healthcare\*

### WARRANTY INFORMATION

June 6, 2022

**FIVE YEAR  
LIMITED  
WARRANTY:**

CATALOGED KIRLIN **LED Architectural and Healthcare** FIXTURES ARE WARRANTED FREE OF DEFECTS IN WORKMANSHIP OR MATERIAL FROM DATE OF PURCHASE, INSTALLED TO N.E.C., IN NORMAL USE. WARRANTY TERM: Five (5) years against defects that result in premature lumen depreciation (below 70% of initial lumen output), and when product(s) are installed where ambient temperatures do not exceed 45°C at fixture location. Abnormal use, abuse or misuse of the fixture, improper installation, or repair or modification of the fixture shall void this warranty.

In its sole discretion, Kirlin will repair, replace (F.O.B. factory), or refund the purchase price of any merchandise defective in workmanship or materials upon presentation of proof of purchase and defective material at Kirlin's offices, within the term specified above from the date of original shipment.

Kirlin's liability is limited to the foregoing and Kirlin shall not be liable for any other damages, direct or indirect, sustained by purchaser or any person. This warranty is supplied to the buyer in place of all other warranties, expressed or implied. No representative, dealer, or employee is authorized to give any warranty other than as expressed herein. Kirlin does not warrant as to the merchantability or fitness for a particular purpose, nor will any oral statement constitute a warranty or amend this warranty.

### WARRANTY-RELATED RETURNS

(See Warranty on "Terms and Conditions of Sale")

If a product is potentially subject to a warranty-related return and/or replacement, an RMA (Return Material Authorization) must be requested and received from Kirlin prior to the return of material.

1. Return material in original cartons; mark each carton with RMA#; **use RMA as your packing slip (required).**
2. Material must be received within 30 days of RMA issue date or credit will NOT be issued.
3. Returned material is potentially subject to a restocking fee (minimum 50%) depending on results of inspection/testing and also on the condition of returned materials.
4. Drivers and lighthouse assemblies must include minimum 5" lead wires, for testing.
5. Lamps may not be returned to Kirlin. Please contact lamp manufacturer.
