## Shoreview Series

### Recessed Wall Light • FWC Approved • LED

Ideal for Stairs, Walls and Walk Ways

Sealed & Gasketed • Wet Locations • Tamper Resistant

## Specifications

#### LED (FWC Approved) and Optics

- Color: Environmental yellow/amber (590nm)
- Optional color: Environmental red/orange (617nm) available. See Option -ERO below
- True color, not phosphor converted
- No light emitted below 560nm
- 4 watts. 60,000 hour life (L70)

#### LED Power Supply/Driver

- Constant current DC. Electronically stabilized
- Minimum operating temperature -22°F (-30°C)
- 120-277V, 50-60 Hz. Load insensitive

#### Sealed & Gasketed Faceplate Assembly

- Meets ASTM E283 restricted airflow of 2 CFM maximum
- Seamless die-formed gasketed louvered faceplate: easily removable for servicing
- Clear poly lens behind louver, retained with captive stainless steel fasteners
- Neoprene O-rings seal fasteners to faceplate
- 30° louvers direct light downward

- White finish standard; optional colors
- Tamper resistant screws standard; tamperproof tool included

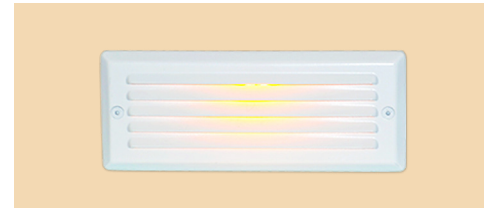

#### Housing: Super Shallow 2½" Depth

- Acrylic enameled aluminum. Corrosion resistant. Suitable for coastal areas
- Rustproof: Exceeds 1000 hour ASTM 5% salt spray test. Ideal for high moisture and salt air environments
- Cool operation extends component life
- Modular design; visible and fully serviceable through aperture

#### Installation & Hardware

- Recessed in walls, indoors or outdoors
- Adjustable mounting slide brackets allow installation between adjoining studs up to 22" apart

## TNT-03175

#### UL, C-UL (Canada)

- Wet locations

#### FIVE YEAR Limited Warranty

- Complete standard fixture

FWC Certification  
#2016-034

## Options and Ordering Configuration

(Example: TNT-03175-38)

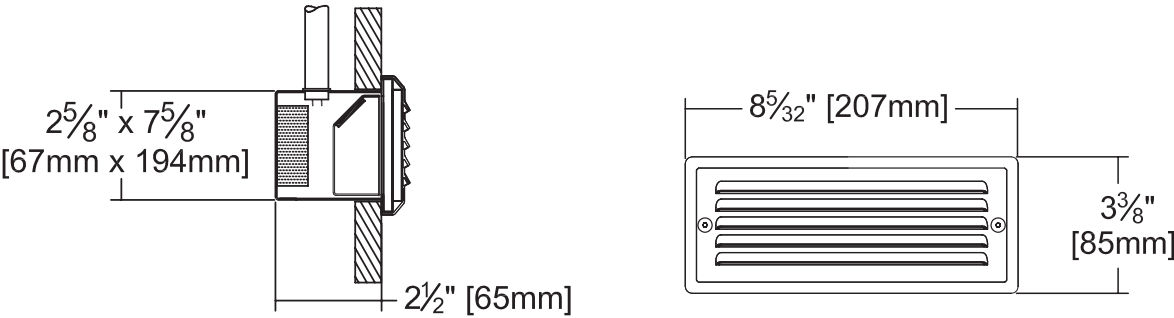

**VR**  
Vandal  
Resistant

**USA**  
Made in the USA  
BAA Compliant

**UL**  
UL Listed  
Wet, Damp, Dry
