

Kirlin Lighting Build America, Buy America Act (BABAA) Compliance Statement
Public Law No. 117-58, §§ 70901-52

Kirlin Products:

- All Choice Series products beginning with LRC, LSC, LWC
- All Latitudes Series products beginning with LRR, LRS, LRV, LSR, LSS, LSV, LWR, LWR
- All Patient Spaces Series products beginning with MRP, MRR, MRS, MRV, MSV, MNR, MNS, MNT, MNV, VRL, VWL
- All INFRARED PRO Series products beginning with PRO, PRV
- All SmartLED MRI Series products beginning with MCL, MRL, MRR, MRS, MSR, MSS, MRI
- All Symphony Series products beginning with SRR, SRS, SSR, SSS, SWR, SYM
- All Wayfinding Series products beginning with LNR, LNS, LNT, LNV, LSR, LSS
- All Kirlin Select Series products beginning with LRR, LRS, LRV, LSR, LWR

As referenced in Public Law No. 117-58, §§ 70901-52, or **Build America, Buy America**, federal agencies must ensure that all applicable programs comply with the following Buy America preference:

(1) All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

(3) All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

The above-listed Kirlin products comply with these requirements and are manufactured in our Detroit, MI factory using domestically-sourced and domestically-coated aluminum, domestically sourced steel (when steel is required by selected options), and other domestically-sourced components wherever feasible, exceeding the 55 percent threshold.

In addition to complying with the BABAA statute, Kirlin is proud to be an SBA-certified WOSB (Woman Owned Small Business) and an SBA-certified HUBZone Business. Kirlin is the only lighting manufacturer in the nation to possess both certifications.

Sincerely,

Chris Brownell
CEO
